TOTAL KNOWLEDGE-BASED FOUNDATIONS

## Foundation for Development of Consciousness

*We tell these people—our invincible flyers—that again—  
through practice, Bliss becomes Blissful.  
No matter what—our focus is absolute.  
The best they can do is to have the experience  
And repeat it repeat it.  
—Maharishi*

Our mission is to provide an all-nourishing, supportive, positive and evolutionary influence for all ladies; the mothers of Invincible America, so that they may enjoy a life lived in health, harmony and happiness. A life lived in Enlightenment.

### INITIATIVES

- Teach the Transcendental Meditation technique and advanced programs to women and girls in the United States
