TOTAL KNOWLEDGE-BASED FOUNDATIONS

## Foundation for Total Knowledge Based Education

*Through this ideal education, every individual will be a Cosmic Individual, living the Vedic Reality, Aham Brahmasmi, 'I am Totality.' This is the realization of one's infinite creative potential, on the basis of which one lives spontaneously in accordance with Natural Law and enjoys all possibilities in daily life.*

**Maharishi Speaks to Educators: Mastery over Natural Law**

Our mission is to make Total Knowledge-based education for enlightenment fully available to mothers and children everywhere, generation after generation.

### INITIATIVES

- Teach the Transcendental Meditation program, for academic credit, to women in colleges and universities across the country, having now set that precedent at one university in California
- Teach TM to women in business and the professions through our *TM Women Professionals* program
- Continue to work with the students and faculty of Maharishi University of Management - Women's Institute to create programs and events to raise women's awareness of their unique capability, and unique role in creating much needed social and global transformation, and to provide a forum in which the women students and faculty of MUM may explore issues specifically relevant to them.
- Continue providing a national Gita Study course, for ladies, to gain insight into the wisdom of life imparted in the Bhagavad-Gita and Maharishi's commentary.
- Develop programs in cooperation with Maharishi University of Enlightenment
- Develop home-schooling and after-school programs for girls
