TOTAL KNOWLEDGE-BASED FOUNDATIONS

## Foundation for Total Knowledge Based Music

*Music is the nature of life. Coming in tune with that eternal music means living immortality, living total value of Natural Law, living in the waves of bliss....Music is a program to rise to Enlightenment.*

—Maharishi

The purpose of the Foundation for Total Knowledge Based music is to enliven the continuous unfoldment of bliss, freedom, and fullness in Enlightenment—to live a musical life which Maharishi defines: ...when consciousness is established at the home of all music where the supreme value of cosmic music is available at all time, and the individual is the living expression of cosmic melody.
